M&E data quality checklist

Use this before you send a monthly report. Tick each box. Any "No" needs a note and an owner.

Completeness		
[ ]	Every facility expected to report has reported	Yes / No / N/A
[ ]	No blank required fields	Yes / No / N/A
[ ]	Zero values are entered as 0, not left empty	Yes / No / N/A
Timeliness		
[ ]	Reports arrived by the agreed deadline	Yes / No / N/A
[ ]	The reporting period on each form is correct	Yes / No / N/A
[ ]	Late reports are listed with a reason	Yes / No / N/A
Accuracy		
[ ]	Totals equal the sum of their parts	Yes / No / N/A
[ ]	Numbers vaccinated do not exceed the target population by an unexplained margin	Yes / No / N/A
[ ]	Values were checked against the register for a sample of facilities	Yes / No / N/A
Consistency		
[ ]	Same indicator definitions used by every facility	Yes / No / N/A
[ ]	This month is compared with last month and large changes are explained	Yes / No / N/A
[ ]	Units and date formats are the same everywhere	Yes / No / N/A
Duplicates and outliers		
[ ]	No duplicate rows or repeated submissions	Yes / No / N/A
[ ]	Extreme values were confirmed with the facility	Yes / No / N/A
[ ]	Corrections are logged with who changed what and when	Yes / No / N/A
Privacy and storage		
[ ]	No names, phone numbers or ID numbers in shared files	Yes / No / N/A
[ ]	Raw data is backed up in two places	Yes / No / N/A
[ ]	Files are named with facility, month and version	Yes / No / N/A
