CHECKLIST · SUPERVISOR VISIT

Field data collection supervision checklist

For supervisors visiting data collectors in the field. Catch problems on day one, not after the dataset is closed.

TEAM OR ENUMERATOR | LOCATION | VISIT DATE

01 Device and app

☐	Phone or tablet is charged and has a power bank	Yes No N/A
☐	The latest form version is installed	Yes No N/A
☐	Date and time on the device are correct	Yes No N/A
☐	Unsent submissions are being synced daily	Yes No N/A

02 Before each interview

☐	The collector introduces themselves and the purpose	Yes No N/A
☐	Consent is asked and recorded the way the protocol says	Yes No N/A
☐	The interview is private where needed	Yes No N/A

03 During data entry

☐	Questions are read as written, not reworded	Yes No N/A
☐	Numbers are entered directly, not from memory later	Yes No N/A
☐	GPS is captured at the household or facility, not elsewhere	Yes No N/A
☐	Photos do not show faces unless consent covers it	Yes No N/A

04 Spot checks

☐	Supervisor re-asked 3 key questions in one household and answers matched	Yes No N/A
☐	No duplicate households in today's submissions	Yes No N/A
☐	Times between interviews look realistic	Yes No N/A
