Monthly programme report

A short, repeatable structure for monthly reports that managers and donors can read in five minutes.

PROGRAMME MONTH PREPARED BY

1. Highlights

Three bullet points a busy reader must not miss.

2. Indicators this month

Indicator	Target	This month	Last month	Year to date	Comment

3. What changed and why

Explain any change larger than about 10% from last month, in plain words.

4. Challenges

Challenge	Effect on the programme	Proposed solution

5. Actions for next month

Action	Owner	Due date	Status

6. Data quality notes

Late or missing reports, corrections made and anything the reader should treat with caution.

Tip. Put the answer first. A reader who stops after section 1 should still know how the month went.
