TEMPLATE · PLAN AND REVIEW

Training session plan

Plan a practical training for data collectors, facility staff or office teams, then record how it went.

TOPIC

DATE AND VENUE

TRAINER

Who is it for

Audience	Number expected	Current skill level	Language

Learning objectives

By the end, participants will be able to… Use action words: enter, check, explain, fix.

Agenda

Time	Activity	Method	Materials	Lead

Tip. Keep slides short. Give every participant time to practise on their own device, with real (anonymised) examples.

01 Materials and setup		
☐	Venue booked, with power sockets and seating for everyone	Yes No N/A
☐	Projector, screen and extension cables tested the day before	Yes No N/A
☐	Devices charged, with the latest form or software version installed	Yes No N/A
☐	Practice data prepared, with no real names or phone numbers	Yes No N/A
☐	Attendance sheet and pre-test printed	Yes No N/A
☐	Handouts or quick guides ready to take away	Yes No N/A
☐	Refreshments and transport arranged where needed	Yes No N/A

After the session

Attended	Average pre-test	Average post-test	Follow-up date

What worked well
